Advocacy & Benefits

Alaska Division of Senior & Disabilities Services

<http://dhss.alaska.gov/dsds/Pages/default.aspx>

Offers information to families and caregivers in the State of Alaska including where to turn for support and assistance as well as services for caregivers.

Alzheimer's Association

<https://www.alz.org/>

Offers information and resources connecting the Alzheimer's community nationwide to professionals and local support. The Alzheimer's Association advocates to end Alzheimer's and all other dementia through global research, risk reduction and early detection, and quality care and support.

AMVETS

<https://www.amvets.org>

Provides a network of trained national service officers (NSOs) that help veterans with compensation claims at no charge. AMVETS annually awards scholarships to deserving high school seniors, J/ROTC students, veterans, and service members pursuing a higher education.

Arizona Caregiver Coalition

<https://azcaregiver.org/>

Provides support and advocacy for family caregivers in Arizona. The Arizona Caregiver Coalition was developed through the Governor's Advisory Council on Aging and serves a mandated role as part of the Arizona Lifespan Respite Program.

Army Medical Command - Wounded Soldier & Family Hotline

https://www.army.mil/article/2296/army_launches_wounded_soldier_and_family_hotline1_800_984_8523

Provides support to wounded soldiers assigned to a Warrior Transition Unit (WTU) and their families. The Wounded Soldier and Family Hotline (WSFH) is a multi-purposed call center operating 24 hours a day, 7 days a week serving as an avenue to gather information about medical care and suggest ways to improve medical support systems impacting soldiers and their families.

Brain Injury Association of South Carolina

<https://biaofsc.com/>

Provides support and education for South Carolina individuals with traumatic brain injury, their families and professionals. The Brain Injury Association of South Carolina is a chartered affiliate of the Brain Injury Association of America.

California Department of Aging (CDA)

<https://www.aging.ca.gov/>

Provides programs that serve older adults, adults with disabilities, family caregivers, and residents in long-term care facilities throughout California State. The California Department of Aging (CDA) goal is to make sure older adults have the opportunity to enjoy wellness, longevity and quality of life in strong healthy communities.

Caregiver Action Network

<http://caregiveraction.org/>

Caregiver Action Network is the nation's leading family caregiver organization offering peer support and other resources, free of charge, for family caregivers who care for loved ones with chronic conditions, disabilities, disease, or the frailties of old age. Also provides information to navigate complex caregiving challenges for family caregivers ranging from the parents of children with special needs to the families and friends of wounded soldiers.

Caring For Our Hidden Heroes

<https://hiddenheroes.org/>

Helps raise awareness of the issues military caregivers confront. Hidden Heroes encourages military caregivers to register with their national registry connecting them to helpful resources and support.

Code of Support Foundation

<https://www.codeofsupport.org/>

Provides one-on-one support, education, and outreach connecting civilians, members of the military, and veterans. The Code of Support Foundation helps veterans, caregivers, and family members find and navigate critical services through their PATRIOTlink and Case Coordination programs.

Delaware - Division of Services for Aging & Adults with Physical Disabilities

<https://www.dhss.delaware.gov/dsaapd/>

Helps older residents of Delaware to be as independent for as long as possible through advocacy, development and delivery of policies, programs and services. The Department of Health and Human Services of Delaware runs programs for substance abuse, peer recovery, and mental health clinics in addition services for aging in place, physical therapy, & community activities.

Disabled American Veterans

<https://www.dav.org/>

Offers nationwide support services to veterans and their families, helping connect them with healthcare, disability, employment, education, transportation and other financial benefits. Disabled American Veterans national Veteran Service Officers provide free, professional assistance to veterans and their families in obtaining benefits and services earned through military service and provided by the VA and other government agencies.

DoD Caregiver Resource Directory

<http://warriorcare.dodlive.mil/caregiver-resources/>

Provides information about national and local resources and programs specifically designed to help empower military caregivers. Topics in the Caregiver Resource Directory include helplines, advocacy and benefit information, career transitions and employment, military caregiver support, children's needs, education and training, financial support, rest and relaxation, and others.

DoD Recovery Coordination Program

<https://warriorcare.dodlive.mil/Care-Coordination/Recovery-Coordination/>

Provides support to wounded, ill, and injured service members through Recovery Care Coordinators (RCCs) in the DoD Recovery Coordination Program that are available at military treatment facilities and installations across the country. RCCs develop a comprehensive recovery plan identifying goals and resources, such as assistive technology, education, employment, or housing, needed to achieve rehabilitation and return service members to duty or reintegration into the civilian community.

DoD Warrior Care

<https://warriorcare.dodlive.mil>

Provides information and resources for the recovering military community, proactively supporting wounded, ill, and injured service members in their recovery and reintegration or transition to civilian life. DoD Warrior Care programs include the Disability Evaluation System (DES), Recovery Coordination Program (RCP), military caregiver support, Education and Employment Initiative (E2I), Operation Warfighter (OWF), Military Adaptive Sports Program (MASP), the National Resource Directory, and more.

Family Caregiver Alliance

<https://www.caregiver.org/>

Provides a comprehensive, online guide, the Family Care Navigator, to help families locate caregiver support programs and services in all 50 states. Service staff also talk to family caregivers from across the country on the Family Caregiver Alliance 800 number to quickly assess needs and tailor the right information and service referral that meets their need.

Franklin County Pennsylvania - Area Agency on Aging

https://franklincountypa.gov/index.php?section=human-services_aging

Provides a planned program of supported services to those 60 years of age and older, intended to optimize independence, promote consumer choice and enhance quality of life. Franklin County Pennsylvania, Area Agency on Aging services include personal care services, medication management, adult day care, caregiver support, and other social services.

Healing Household 6

<https://healinghousehold6.org/>

Provides peer support networks connecting caregivers with resources to assist them with medical evaluation boards, VA claims, transition, public assistance, nonprofit assistance, domestic violence, and caring for veterans. Healing Household 6 (HH6) offers caregivers of combat injured veterans tools to strengthen and improve family relationships.

Institute on Aging

<https://www.ioaging.org/>

Offers services that help aging adults and people with disabilities in the San Francisco Bay Area maintain their health, well-being, and independence. Institute on Aging provides personalized home care and support services to include companionship, hourly or 24/7 live-in care and overnight assistance, Dementia and Alzheimer's care, home safety evaluations, meal planning and preparation, escorted transportation, errands, and light housekeeping.

InTransition Mental Health Coaching

<https://health.mil/Military-Health-Topics/Centers-of-Excellence/Psychological-Health-Center-of-Excellence/inTransition>

Assists active-duty service members and veterans receiving mental health treatment transition between health care systems or providers by connecting them to the right resources. InTransition Mental Health Coaching is a free, voluntary and confidential program operated by DoD.

Lifeline for Vets

<https://nvf.org/>

Provides a one-stop resource for veterans and their families needing help finding food, clothing, transportation, employment and other essential resources. The National Veterans Foundation serves the crisis management, information and referral needs of all veterans and their families through a toll-free helpline, public awareness programs, and outreach services.

Lutheran Social Service of Minnesota

<https://www.lssmn.org/services/military-and-veterans>

Offers caregiver coaching and counseling, caregiver classes and workshops, and caregiver support groups, in addition to respite services, both in-home and in a group setting. Lutheran Social Service of Minnesota has undergone PsychArmor training to better serve veterans.

Military Order of the Purple Heart Auxiliary

<https://www.purpleheartauxiliary.org/>

Provides a network of National Service Officers (NSO) across the nation. Military Order of the Purple Heart Auxiliary members are usually co-located with a Veterans Affairs (VA) facility to help veterans and their family with VA-related issues.

Military Order of the Purple Heart of the USA

<https://purpleheart.org/>

Offers support to all veterans and their families through a myriad of nation-wide programs by chapters and national service officers. The Military Order of the Purple Heart is a veterans organization chartered by Congress for combat wounded veterans who have been awarded the Purple Heart medal.

Minnesota Department of Human Services

<https://mn.gov/dhs/>

Offers health care coverage for low-income Minnesotans, economic assistance for struggling families, food support, child protection and child welfare services, services for people with mental illness, chemical dependency, or physical or developmental disabilities, and more. The Minnesota Department of Human Services provides essential services to Minnesota's most vulnerable residents.

My Army Benefits

<https://myarmybenefits.us.army.mil/>

Find information about Army benefits on their official benefits website. My Army Benefits resource locator helps identify locations and offices that may offer assistance in your area.

National Association of American Veterans

<https://www.naavets.org/>

Assists eligible service members, veterans, and their families experiencing financial hardship through emergency assistance referrals, and helps ease the burden of caregivers through the military family program. Concentrated assistance efforts to national capitol region as well as rural areas and southern communities with outreach to returning soldiers and veterans in Alabama, Georgia, North and South Carolina, Mississippi, Louisiana, and Texas.

National Veterans Foundation - Veteran Service Officers

<https://nvf.org/veteran-service-officers/>

Provides links to state Veterans Affairs Offices to locate a Veteran Service Officer (VSO) near you. National Veterans Foundation Veteran Service Officers services help veterans write and submit benefits claims to the VA and track the claim through the system to avoid the delays that missing paperwork or improperly filled out claims can cause.

Navy Family Ombudsman Registry

<https://ombudsmanregistry.cnic.navy.mil/>

Ensures that the lines of communication are open between the Navy leadership and family members in order to resolve problems and relay vital information. The Navy Family Ombudsman Registry does not require login to locate your ombudsman.

Navy Supply Corps Foundation

<https://www.usnscf.com/Foundation/>

Offers a member organization for every person who has ever worn the oakleaf in the United States Navy. The Navy Supply Corps Foundation, with both social and charitable goals, programs and services support the Navy Supply Corps community while promoting its heritage and traditions.

Oregon Department of Human Services - Caregiver Support

<https://www.oregon.gov/DHS/SENIORS-DISABILITIES/Pages/Caregiving.aspx>

Offers information to families and caregivers in the State of Oregon including where to turn for support and assistance as well as services for caregivers.

Paralyzed Veterans of America (PVA)

<https://www.pva.org/>

Provides resources and professional services to catastrophically disabled veterans, their caregivers, and their families. Paralyzed Veterans of America (PVA) advocates for quality health care, spinal cord research, VA benefits and civil rights for veterans and all people with disabilities.

Quality of Life Foundation Wounded Veteran Family Care

<https://woundedveteranfamilycare.org/>

Provides advocacy and support for caregivers of wounded veterans and their families by coordinating with agencies to remove barriers and negotiating benefits. Wounded Veteran Family Care Program (WVFCP) addresses the unmet needs for caregivers who provide daily care for their wounded veteran and their families, contributing to their quality of life.

Salt Lake County Aging & Adult Services - Utah

<http://www.slco.org/aging-adult-services/>

Offers activities, helath care assistance, caregiver support and advocacy information to older adults living near Salt Lake City, Utah.

The American Legion

<https://www.legion.org/>

Helps veterans and families understand and apply for VA benefits. The American Legion is a U.S. war veterans organization made up of state, U.S. territory, and overseas departments, and these are in turn made up of local posts. Accredited American Legion service officers are specially trained to provide assistance, free of charge to Veterans and their families.

The Family Resource Network

<https://www.familyresourcenetwork.org/>

Enhances the lives of children, youths and families in New Jersey by providing programs aimed to help families in poverty, families caring for the elderly, children with disabilities or chronic illness and those at risk of abuse and neglect. The Family Resource Network is a family focused network of community programs and services to meet the needs of the disabled.

Transition Assistance Advisors

<https://www.militaryonesource.mil/national-guard/transition-assistance/what-transition-assistance-advisors-can-do-for-you/>

Lists statewide points of contact to assist service members in accessing VA benefits and health care services. Transition Assistance Advisors can connect you to Veterans Affairs benefits, health care and more, walking you through the system to get you the services you deserve.

VA Caregiver Support Program

<https://www.caregiver.va.gov/>

Offers caregiver resources and caregiver support programs to include peer support mentoring, tips and tools, self-care activities, and more. Caregiver Support Coordinators are available at each VA Medical Center to help caregivers find the right support to meet their needs and to enroll in caregiver programs and services.

VA Transition & Care Management

<https://www.va.gov/post911veterans/>

Provides information about the benefits that the VA offers to Post 9/11 veterans through the Transition and Care Management (formerly OEF/OIF/OND) program. The VA offers programs for five years of cost-free health care, 180-day Dental benefit, and Vet Centers to help with readjustment counseling and outreach services for free.

VeteranAid.org

<https://www.veteranaid.org/>

Assists with the VA Aid and Attendance (A&A) benefit application process. VeteranAid.org is a free resource for veterans, their surviving spouses and their families who are looking for clear, concise information about the A&A pension benefit and how to apply for it.

Veterans Benefits Administration

<https://benefits.va.gov/benefits/>

Provides a variety of benefits and services for service members, veterans, and their families including compensation, pension and fiduciary, insurance, education, loan guaranty, vocational rehabilitation and employment, and more. The Veterans Benefits Administration (VBA) offers regional VA facilities located in each state.

Veterans of Foreign Wars (VFW) of the United States

<https://www.vfw.org/>

Assists veterans with benefits including compensation, pension, health care, vocational rehabilitation and employment, education and training, home loans, life insurance and dependency and indemnity compensation.

Wounded Warrior Project

<https://www.woundedwarriorproject.org/>

Provides numerous services to wounded military veterans and their family members. The Wounded Warrior Project helps veterans and service members who incurred a physical or mental injury, illness, or wound while serving in the military on or after September 11, 2001.

Career Transitions & Employment

Air Force Wounded Warrior (AFW2) Program

<http://www.woundedwarrior.af.mil/>

Supports Air Force combat wounded, ill and injured airmen and their families providing personalized services, regular communication and non-medical matters. For more information and 24-hour assistance call 1-800-581-9437.

Alaska Division of Senior & Disabilities Services

<http://dhss.alaska.gov/dsds/Pages/default.aspx>

Offers information to families and caregivers in the State of Alaska including where to turn for support and assistance as well as services for caregivers.

Boots to Business

<https://sbavets.force.com/s/>

Provides an entrepreneurship course with an overview of entrepreneurship and applicable business ownership fundamentals for service members (including National Guard and Reserve), veterans of all eras, and their spouses. Boots to Business (B2B) is an entrepreneurial education and training program offered by the Small Business Administration (SBA) as part of the DoD Transition Assistance Program (TAP).

California Department of Aging (CDA)

<https://www.aging.ca.gov/>

Provides programs that serve older adults, adults with disabilities, family caregivers, and residents in long-term care facilities throughout California State. The California Department of Aging (CDA) goal is to make sure older adults have the opportunity to enjoy wellness, longevity and quality of life in strong healthy communities.

CareerOneStop

<https://www.careeronestop.org>

Provides information about jobs, training, career resources, and unemployment benefits for transitioning service members, veterans, and military spouses. CareerOneStop offers resources targeted for a career changer, laid-off worker, worker with a criminal conviction, entry-level worker, older worker, young adult, workers with disabilities, business, career advisor, and credential seeker.

<https://www.aacy.org/>

Serves children and adolescents who are 18 years of age or younger and who provide significant or substantial assistance, often on a regular basis, to relatives or household members who need help because of physical or mental illness, disability, frailty associated with aging, substance misuse, or other condition. Headquartered in Boca Raton, FL, the American Association of Caregiving Youth is the only organization in the U.S. dedicated solely to addressing caregiving youth issues.

American Association of Retired Persons

<https://www.aarp.org/>

Offers discounted membership for service members, veterans and their spouses who are 50+ years of age. The American Association of Retired Persons (AARP) is a nonprofit, nonpartisan organization that empowers retired people to choose how they live as they age.

American Psychological Association

<https://www.apa.org/>

Provides mental health and well-being of service members, veterans and their families through advocacy and research. The American Psychological Association advocates for policies that prevent suicide, promoting the use of psychotherapies in the DoD and VA, ensuring mental health is included in the transition from active duty to Veteran status, promoting relevant health research, and protecting integrated care at the VA while opposing its privatization.

American Red Cross

<https://www.redcross.org/>

Provides disaster relief and support to those in crisis, blood donation centers, health and safety training to prepare for and respond in emergencies, and 24/7 global emergency communication services and other support in military and veteran health care facilities across the country. The Red Cross is a humanitarian organization that provides emergency assistance, disaster relief, and disaster preparedness education in the United States.

American Red Cross Military & Veteran Caregiver Network

<https://www.redcross.org/get-help/military-families/services-for-veterans/military-veteran-caregiver-network.html>

Offers peer-based support and services to connect those providing care to service members and veterans living with wounds, illnesses, injuries, or aging. The Military and Veteran Caregiver Network (MVCN) provides military and veteran caregivers of all eras with peer support to reduce isolation and increase connection, engagement, knowledge, skills and hope.

Amputee Coalition of America

<https://www.amputee-coalition.org/>

Provides resources, support and advocacy on limb loss. The Amputee Coalition offers a broad range of resources and programs for healthcare providers, amputees and their families.

ARCH National Respite Network & Resource Center

<https://archrespite.org/>

Provides information and resources to find respite in your community. The ARCH National Respite Network includes the National Respite Locator, a service to help caregivers and professionals locate respite services in their community, the National Respite Coalition, a service that advocates for preserving and promoting respite in policy and programs at the national, state, and local levels, and the Lifespan Respite Technical Assistance Center which is funded by the Administration for Community Living in the US Department of Health and Human Services.

Arizona Caregiver Coalition

<https://azcaregiver.org/>

Provides support and advocacy for family caregivers in Arizona. The Arizona Caregiver Coalition was developed through the Governor's Advisory Council on Aging and serves a mandated role as part of the Arizona Lifespan Respite Program.

Armed Services YMCA

<https://www.asymca.org/>

Provides resiliency programs at no or low cost without any membership fee to military service members and their families, helping them navigate military life amidst transfers, deployments, increased child care needs, and financial burdens. The Armed Services YMCA is an association of the YMCA, specifically dedicated to serving junior-enlisted military service members and their families of all five armed services.

Asian American Health Initiative (AAHI)

<https://aahiinfo.org/aahi-resources/>

Dedicated to improving the health and wellness of Asian American communities in Montgomery County by applying equity, community engagement, and data-driven approaches.

Atlas of Caregiving

<https://atlasofcaregiving.com/>

Provides educational programs and tools to inspire people to see and talk about how they care for themselves and those around them in order to build stronger, more resilient families, communities, and organizations. The mission of Atlas of Caregiving is to transform how we care for ourselves and our communities through innovative research, practical solutions, and rich collaborations.

Believe In Tomorrow Children's Foundation

<https://believeintomorrow.org/>

Provides hospital and respite housing services to critically ill children and their families. Believe In Tomorrow has two respite properties that are dedicated specifically to military families, with one in Ocean City, MD, and the other in Pinnacle Falls, just outside of Asheville, NC.

Blue Star Families

<https://bluestarfam.org/>

Serves as a bridge between the families of Servicemen and women and housing, emergency, education and other support services.

Bon Secours Hospice Services

<http://hospicerichmond.com/>

Provides added support and comfort from hospice team members who visit patients and their families regularly to give care, answer questions, teach new caretaking skills, and make each day as meaningful as possible while patients continue to receive care from their own physician. The Bon Secours Hospice program cares for the patient's whole being and supports the patient's family and friends on the end-of-life journey.

Brain Injury Alliance of Oklahoma

<http://www.braininjuryoklahoma.org/>

Provides a list of support groups and additional resources and links in Oklahoma for people living with Traumatic Brain Injury (TBI). Brain Injury Alliance of Oklahoma educate survivors, family members, professionals, and the public about all matters related to brain injury.

Brain Injury Alliance of Washington

<https://www.biawa.org/>

Offers a statewide resource for individuals with brain injury, managing the Washington State Brain Injury Resource Center and offering intensive resource management in most counties. The services at the Brain Injury Alliance of Washington are free and include everything from help with navigating the medical system, applying for Social Security benefits, finding legal help, and more.

Brain Injury Alliance of Wisconsin

<http://biaw.org/>

Provides information about support services for people in Wisconsin living with traumatic brain injury. The Brain Injury Alliance of Wisconsin offers a list of resources to both educate and help veterans and/or family members.

Brain Injury Association of Delaware (BIADE)

<https://biade.org/>

Provides a list of support groups and additional resources and links in Delaware for people living with traumatic brain injury (TBI). Brain Injury Association of Delaware (BIADE) works to raise awareness and support individuals and families dealing with brain injuries.

Brain Injury Association of Maryland (BIAMD)

<https://www.biamd.org/>

Provides information, support, and resources for individuals in Maryland with a brain injury. The Brain Injury Association of Maryland (BIAMD) offers brain injury advocacy, education, and research.

Brain Injury Association of Michigan (BIAMI)

<https://www.biami.org/>

Provides a list of support groups and additional resources and links in Michigan for people living with brain injury. Brain Injury Association of Michigan (BIAMI) mission is to improve the lives of those affected by brain injury through advocacy, awareness, education, prevention, research, and support.

Brain Injury Association of New Hampshire (BIANH)

<https://nh-veteran.com/>

Offers information, support and resources for brain injury service members, families and caregivers. The Brain Injury Association of New Hampshire (BIANH) is the only state-wide organization in New Hampshire dedicated to brain injury and stroke support, prevention, education and advocacy for survivors and caregivers.

Brain Injury Association of North Carolina (BIANC)

<https://www.bianc.net/>

Provides information about services and resources for traumatic brain injury (TBI) in North Carolina. The Brain Injury Association of North Carolina (BIANC) offers programs for agencies and civic groups on many different aspects of brain injury.

Brain Injury Association of Rhode Island (BIARI)

<https://biari.org/>

Provides information on support groups and additional resources and links in Rhode Island for people living with brain injuries. Brain Injury Association of Rhode Island (BIARI) is dedicated to increasing awareness of brain injury and its consequences, and helping those dealing with brain injuries find ways to live comfortably.

Brain Injury Association of South Carolina

<https://biaofsc.com/>

Provides support and education for South Carolina individuals with traumatic brain injury, their families and professionals. The Brain Injury Association of South Carolina is a chartered affiliate of the Brain Injury Association of America.

Brain Injury Association of Tennessee

<https://braininjurytenn.org/>

Provides a list of support groups and additional resources and links in Tennessee for people living with TBI.

Brain Injury Association of Virginia

<https://www.biav.net/>

Offers information and support for individuals, families, and professionals living in Virginia whose lives have been touched by brain injury. The Brain Injury Association of Virginia provides education, outreach, support, awareness and advocacy.

Brain Injury Association of Wyoming

<https://www.wybia.org/>

Provides a list of support groups and additional resources and links in Wyoming for people living with TBI.

Brain Injury Services

<http://www.braininjurysvcs.org/>

Assists individuals and families who have experienced brain injury, stroke, and concussion through core programs, including case management, specialized programs, and multiple support groups. Brain Injury Services extends throughout Northern Virginia, Fredericksburg, Winchester, and surrounding counties.

BrainLine

<https://www.brainline.org/>

Offers authoritative information and support to anyone whose life has been affected by brain injury or PTSD: people with brain injuries, their family and friends, and the professionals who work with them. BrainLine also provides military-specific information and resources on traumatic brain injury (TBI) and post-traumatic stress disorder (PTSD) to veterans, service members, and their families. Through BrainLine, we seek to provide a sense of community, a place where people who care about brain injury can go 24 hours a day for information, support, and ideas.

Building Better Caregivers (BBC)

<https://va.buildingbettercaregivers.org/>

Offers a free six-week online workshop to help caregivers of veterans or veterans who serve as caregivers for someone with dementia, memory problems, post-traumatic stress disorder, a serious brain injury, or any other serious injury or illness. Either the veteran whom the caregiver is caring for, or the caregiver must be enrolled in VA Healthcare to qualify for Building Better Caregivers (BBC).

California Department of Aging (CDA)

<https://www.aging.ca.gov/>

Provides programs that serve older adults, adults with disabilities, family caregivers, and residents in long-term care facilities throughout California State. The California Department of Aging (CDA) goal is to make sure older adults have the opportunity to enjoy wellness, longevity and quality of life in strong healthy communities.

Cape Fear Council of Governments - Senior Resources

<https://capefearcog.org/area-agency-on-aging/resource-guide-for-senior-services/>

Offers information to senior services in the State of North Carolina including where to turn for support and assistance as well as services for caregivers. Cape Fear Council of Governments shares resources servicing Brunswick, Columbus, New Hanover and Pender Counties.

Caregiver Action Network

<http://caregiveraction.org/>

Caregiver Action Network is the nation's leading family caregiver organization offering peer support and other resources, free of charge, for family caregivers who care for loved ones with chronic conditions, disabilities, disease, or the frailties of old age. Also provides information to navigate complex caregiving challenges for family caregivers ranging from the parents of children with special needs to the families and friends of wounded soldiers.

Caregiver Healing Foundation

951-744-0147

Runs self healing retreats and care packages to support military and veteran caregivers. Caregiver Healing Foundation retreats are located in Southern California.

Caregiverlist

<https://www.caregiverlist.com/>

Offers information for caregivers about employment opportunities and certification training, and tools for seniors and families to understand care options and costs including Medicare, Medicaid and veteran's care. Caregiverlist also offers state-specific training courses and certification for caregivers.

Caregiver Support

<https://www.usa.gov/disability-caregiver>

Helps caregivers find resources and services available to assist people caring for loved ones with special medical needs. Shares information about caregiver eligibility for benefits sponsored by General Services Administration (GSA).

CaringBridge

<https://www.caringbridge.org/>

Offers a CaringBridge free website to stay connected through social support with family, friends and peers during a health crisis, treatment and recovery. Sites are easy to create, personalize, no data is shared, and they are secure.

Caring For Our Hidden Heroes

<https://hiddenheroes.org/>

Helps raise awareness of the issues military caregivers confront. Hidden Heroes encourages military caregivers to register with their national registry connecting them to helpful resources and support.

Cell Phones for Soldiers

<https://www.cellphonesforsoldiers.com/>

Connects veterans, service members, and military family members with cell phones and domestic airtime minutes. Cell Phones For Soldiers is a national nonprofit dedicated to serving troops and veterans with free communication services and emergency funding.

Centennial Adultcare Center

<http://centennialadultcare.com/>

Offers a full range of adult day care and in-home services to individuals in the greater Nashville area with a wide variety of physical disabilities and/or cognitive impairments, including advanced Alzheimers and other dementias. Centennial Adultcare Center is designed to fill the gap between living alone at home, or with a caregiver, and full-time institutionalization in a costly nursing facility.

Center for the Study of Traumatic Stress

<https://www.cstsonline.org/>

Offers education and training, publications (journal articles, books, newsletters, and reports), military fact sheets, and research that advances knowledge in military psychiatry, disaster psychiatry and disaster and behavioral health. The Center for the Study of Traumatic Stress is part of the Uniformed Services University, and one of the nations oldest and most highly regarded, academic-based organizations dedicated to advancing trauma-informed knowledge, leadership, and methodologies.

Center of Excellence for Medical Multimedia (CEMM) - The Caregiver's Journey

719-333-7565

Gives tips to help caregivers understand their role in taking care of a Service Members or Veteran with traumatic brain injury (TBI) during recovery as well as lifelong care. The Center of Excellence for Medical Multimedia (CEMM) offers other helpful resources to caregivers.

Challenged Athletes - Operation Rebound Program

<https://www.challengedathletes.org/programs/operation-rebound/>

Provides grant opportunities and support to military veterans, service members and first responders with permanent physical injuries. Challenged Athletes Foundation's Operation Rebound program assists with reintegration through sports and fitness.

Christopher & Dana Reeve Foundation

<https://www.christopherreeve.org/todays-care/get-support/military-veterans-program-mvp/>

Assists service members and veterans living with spinal cord injury and paralysis to help connect them with military services, programs, and benefits. The Christopher and Dana Reeve Foundation is dedicated to curing spinal cord injury by advancing innovative research and improving quality of life for individuals and families impacted by paralysis.

Colorado Department of Human Services - National Family Caregiver Support Program

<https://www.colorado.gov/pacific/cdhs/caregiver-support>

Offers information to families and caregivers in the state of Colorado about available services providing assistance to older adults, as well as grandparents over age 60 raising grandchildren.

Coming Home Project

<https://cominghomeproject.net/>

Offers free confidential psychological counseling and evaluation for Iraq and Afghanistan veterans and their families in the greater San Francisco Bay Area. Coming Home Project addresses the emotional, social, moral, and spiritual injuries and the family challenges experienced during all stages of deployment, especially reintegration.

<https://communitybraininjury.org/>

Delivers long-term community-based support services to individuals with brain injury in the Metro Richmond and Hampton Roads Area. Community Brain Injury Services encourages brain injury patients to be active in their rehabilitation become independent in the community.

Connecticut - National Family Caregiver Support Program

<https://portal.ct.gov/AgingandDisability/Content-Pages/Programs/National-Family-Caregiver-Support-Program>

Offers information to families and caregivers in the state of Connecticut on where to go for support and assistance.

Crotched Mountain Community Care

<https://cmf.org/cmcc/>

Provides case management services to clients throughout all of New Hampshire. Crotched Mountain Community Care Program offers an alternative to nursing home placement by connecting family members with community supports.

DayBreak Adult Care Centers - Family Caregiver Support

<https://www.daybreakac.org/services-4>

Helps families taking care of senior adults with disabilities live comfortably at home by providing health services and therapeutic activities.

Delaware - Division of Services for Aging & Adults with Physical Disabilities

<https://www.dhss.delaware.gov/dsaapd/>

Helps older residents of Delaware to be as independent for as long as possible through advocacy, development and delivery of policies, programs and services. The Department of Health and Human Services of Delaware runs programs for substance abuse, peer recovery, and mental health clinics in addition services for aging in place, physical therapy, & community activities.

Developmental Disabilities Institute

<https://www.ddiny.org/>

Provides educational, residential, habilitative, vocational, transportation, and service coordination support to individuals with developmental disabilities on Long Island. With sites across Suffolk and Nassau Counties, Developmental Disabilities Institute helps children and adults with autism and other developmental disabilities experience personal growth and fulfillment.

DoD Caregiver Resource Directory

<http://warriorcare.dodlive.mil/caregiver-resources/>

Provides information about national and local resources and programs specifically designed to help empower military caregivers. Topics in the Caregiver Resource Directory include helplines, advocacy and benefit information, career transitions and employment, military caregiver support, children's needs, education and training, financial support, rest and relaxation, and others.

DoD Warrior Care

<https://warriorcare.dodlive.mil>

Provides information and resources for the recovering military community, proactively supporting wounded, ill, and injured service members in their recovery and reintegration or transition to civilian life. DoD Warrior Care programs include the Disability Evaluation System (DES), Recovery Coordination Program (RCP), military caregiver support, Education and Employment Initiative (E2I), Operation Warfighter (OWF), Military Adaptive Sports Program (MASP), the National Resource Directory, and more.

Easterseals - Military & Veterans Services

<https://www.easterseals.com/programs-and-services/military-veterans/>

Provides resources and support for veterans and military families through 69 local affiliates in communities nationwide. Easterseals works to break down barriers, engage organizations and communities, and connect veterans and military families with what they need for meaningful employment, education, and overall wellness.

Eldercare Locator - Adult Day Care

https://eldercare.acl.gov/Public/Resources/Factsheets/Adult_Day_Care.aspx

Explains what adult day care is, how centers operate and what to look for in an adult day care center.

El Paso Veterans One Stop Center

<https://www.epveteranonestop.org>

Provides services to the SMVF (Service Member, Veterans, and family) community for free and regardless of discharge status. Services provided are as follows: clinical services, one-on-one peer support, peer support groups and community resources.

Family Caregiver Alliance

<https://www.caregiver.org/>

Provides a comprehensive, online guide, the Family Care Navigator, to help families locate caregiver support programs and services in all 50 states. Service staff also talk to family caregivers from across the country on the Family Caregiver Alliance 800 number to quickly assess needs and tailor the right information and service referral that meets their need.

Family Service Agency of Mid Michigan

<https://fsamich.org/>

Provides counseling, senior services, help for the visually impaired, guardianship, and more. Family Service Agency is a social service agency serving Genesee, Lapeer and Shiawassee Counties by keeping individuals and families in their homes and helping enhance their emotional and physical quality of life.

FINRA Investor Education Foundation

<https://www.finra.org/investors#/>

Provides information to help military Service Members gain access to financial education information that enables them to make prudent saving and investment decisions for themselves and their families.

Fisher House of the Emerald Coast

<https://fisherhouseemeraldcoast.org/>

Provides free temporary housing for families of patients receiving medical care at major military and VA medical centers in Northwest Florida. Fisher House of the Emerald Coast is a compassionate home away from home for eligible military families at Eglin Air Force Base in Fort Walton Beach in Okaloosa County Florida.

Florida Department of Children & Families

<https://www.myflfamilies.com>

Provides public assistance information including access to food, medical assistance and cash in Florida. The Florida Department of Children and Families also offers services for child care, substance abuse prevention and recovery, domestic violence, homelessness, public benefits, and much more.

Franklin County Pennsylvania - Area Agency on Aging

https://franklincountypa.gov/index.php?section=human-services_aging

Provides a planned program of supported services to those 60 years of age and older, intended to optimize independence, promote consumer choice and enhance quality of life. Franklin County Pennsylvania, Area Agency on Aging services include personal care services, medication management, adult day care, caregiver support, and other social services.

GetCareSC

<https://www.getcaresc.com/>

Provides a search tool for seniors, caregivers, and adults with disabilities to find providers and available services, like assisted living, transportation, and insurance -- and if you need help and you don't know where to start. The GetCareSC website is maintained by the South Carolina Department on Aging, helping connect you to local resources and find help in your community.

Gifting Warriors

<http://www.giftingwarriors.org/>

Provides assistance and resources to veterans who are suffering from post-traumatic stress disorder (PTSD). Gifting Warriors assists returning mentally and physically wounded soldiers in their transition to civilian life.

Girl Scouts of the Colonial Coast

<https://www.gscoc.org/en/about/our-program/military-families.html>

Provides a youth organization for girls (grades K–12) with activities like earning badges, going on awesome trips, selling cookies, exploring science, getting outdoors, and doing community service projects. No matter where a family's military service takes girls, Girl Scouts of the Colonial Coast is at the ready with programs and a supportive network that allows girls to continue their leadership journeys and build new friendships.

Give an Hour

<https://giveanhour.org/military/>

Provides free and confidential mental health support to military, veterans, and their loved ones. Through a national network of licensed mental health providers, Give an Hour offers mental health care services to complement DoD and VA healthcare delivery by serving veterans and military families seeking care outside the current system, those no longer eligible for healthcare provided by the DOD or VA, and non-eligible siblings, parents, partners, and other loved ones.

Global & Regional Asperger Syndrome Partnership

<https://grasp.org/>

Provides support, education, and programs for individuals on the autism spectrum, related disabilities, and their families. GRASP, the Global and Regional Asperger Syndrome Partnership, is a member organization that offers information and referral services, peer support groups, online chat groups, and community support.

GreenCare for Troops

<https://projectevergreen.org/greencare-for-troops/>

Offers a needs based program for active duty deployed service members of the rank E-6 and below. Project EverGreen's GreenCare for Troops connects military families across the nation to complimentary lawn and landscape services, while their sister program, SnowCare for Troops, provides basic snow removal.

Haven Hospice

<https://beyourhaven.org/>

Provides services for advanced illness needs including advance care planning, palliative care, transitions, hospice care, grief support, caregiver support, and more. Haven, an affiliate of SantaFe HealthCare, services patients and families in 18 Florida counties including Alachua, Baker, Bradford, Clay, Columbia, Dixie, Duval, Flagler, Gilchrist, Hamilton, Lafayette, Levy, Nassau, Putnam, Suwannee, St. Johns, Union and Volusia.

Healing Household 6

<https://healinghousehold6.org/>

Provides peer support networks connecting caregivers with resources to assist them with medical evaluation boards, VA claims, transition, public assistance, nonprofit assistance, domestic violence, and caring for veterans. Healing Household 6 (HH6) offers caregivers of combat injured veterans tools to strengthen and improve family relationships.

HealthinAging.org

<https://www.healthinaging.org/>

Provides older adults and caregivers with up-to-date information, as well as access to a network of geriatrics healthcare professionals. HealthinAging.org is the Health in Aging Foundation's public education portal, and a great resource for information on common diseases and disorders that affect us all as we age.

HelpGuide

<https://www.helpguide.org/>

Provides a wide range of information and self-help tools to improve your mental health and wellness. HelpGuide is a nonprofit web resource with over 250 articles, interactive quizzes and other resources covering topics such as depression, anxiety, stress management, post-traumatic stress disorder and trauma, and much more.

Helping Hands of Vegas Valley - Nevada

<https://dh.hhovv.org/>

Helps elderly individuals remain independent and healthy through free social services programs available in Nevada such as: transportation assistance, respite care vouchers and food delivery. Helping Hands of Vegas Valley welcomes volunteers to assist with deliveries and working in the pantry.

Ho'ola Farms - Veterans Services

<https://www.hoolafarms.org/>

Serves military veterans, caregivers, first-responders and their families by providing opportunities to heal, connect, learn, grow and thrive.

Hope For The Warriors

<https://www.hopeforthewarriors.org/>

Offers a variety of national support programs focused on clinical health and wellness, sports and recreation and transition for combat wounded service members and veterans, their families and families of the fallen. Hope For The Warriors provides a variety of support programs including Military Spouse and Caregiver Scholarships and Run For The Warriors.

Hospice & Community Care

<https://www.hospiceandcommunitycare.org/hospice-care/care-for-veterans/>

Provides compassionate physical, emotional, and spiritual support at end of life. It is common for veterans at this stage to face unique issues related to their military experiences that possibly have never been addressed with their families, so the staff at Hospice and Community Care are specially trained to care for veteran patients offering a Veteran-to-Veteran program where they pair volunteers who are veterans with veteran hospice patients.

IMD Guest House

<http://www.imdguesthouse.org/>

Illinois Medical District Guest House welcomes outpatients receiving treatment for post-traumatic stress disorder through the Road Home Program at Rush and accompanied by their caregivers, families, and friends with a referral from a patient's medical team.

Institute on Aging

<https://www.ioaging.org/>

Offers services that help aging adults and people with disabilities in the San Francisco Bay Area maintain their health, well-being, and independence. Institute on Aging provides personalized home care and support services to include companionship, hourly or 24/7 live-in care and overnight assistance, Dementia and Alzheimer's care, home safety evaluations, meal planning and preparation, escorted transportation, errands, and light housekeeping.

International Myeloma Foundation

<https://www.myeloma.org>

Provides research, education, support, and advocacy for myeloma patients, caregivers, and providers. The International Myeloma Foundation is the first and largest organization focusing specifically on multiple myeloma, and is dedicated to improving the quality of life of myeloma patients while working toward prevention and a cure.

Joint Services Support

<https://www.militaryonesource.mil/national-guard/joint-services-support-program>

Provides information about the resources and programs available to the National Guard and their immediate family at the state and unit level, as well as how to make the most of federal benefits and resources provided for all service members.

Keystone Chapter Paralyzed Veterans of America (PVA)

<http://www.kpva.org/>

Advocates for health care, research, education, veterans benefits and rights, accessibility and the removal of architectural barriers, sports programs and disability rights. Keystone Chapter Paralyzed Veterans of America (PVA) is one of 33 chartered chapters of the PVA that works to improve the quality of life of paralyzed veterans in the United States.

King County Washington

<https://www.kingcounty.gov/>

Provides information on public services available in King County. The King County Department of Community and Human Services (DCHS) manages a range of programs and services to help the most vulnerable residents.

Lackland Fisher House

<http://www.fisherhouseinc.org/>

Provides free temporary housing for families of patients receiving medical care at major military and VA medical centers in the San Antonio, Texas area. Lackland Fisher House is home away from home place for eligible military families to stay.

Legacy Corps for Veterans and Military Families

<https://theseniorsource.org/>

Offers military and veteran caregivers support services to help them maintain a healthy and balanced life while caring for their loved one. Legacy Corps' community-based support programs include: respite care, transportation services, community resources and social events.

LINK of Hampton Roads

<https://www.linkhr.org/>

Provides fast and affordable housing solutions to homeless individuals, families, and veterans, as well as emergency services to men, women, and children facing unmet basic needs, housing crises, or other emergency situations. LINK is a nonprofit volunteer organization which exists to help people help themselves through education, direct services, advocacy and outreach programs.

Lutheran Social Service of Minnesota

<https://www.lssmn.org/services/military-and-veterans>

Offers caregiver coaching and counseling, caregiver classes and workshops, and caregiver support groups, in addition to respite services, both in-home and in a group setting. Lutheran Social Service of Minnesota has undergone PsychArmor training to better serve veterans.

Maine Office of Aging & Disability Services (OADS)

<https://www.maine.gov/dhhs/oads/>

Helps older Maine residents to be as independent as possible for as long as possible through advocacy, development and delivery of policies, programs and services which support and empower the elderly and their families.

Marine Parents

<https://www.marineparents.com/>

Provides support, information, and services to Marines and their family members, and create opportunities for the public to support our troops through the organization's outreach programs.

Massachusetts Executive Office of Elder Affairs

<https://www.mass.gov/orgs/executive-office-of-elder-affairs>

Provides resources for older people and individuals with disabilities to access programs and services such as elder advocacy, assisted living, special needs, in-home services, caregiver support, legal help, and more throughout the state of Massachusetts. The Executive Office of Elder Affairs promotes the independence, empowerment, and well-being of older adults, individuals with disabilities, and their caregivers.

Massachusetts Family Caregiver Support Program

<https://www.mass.gov/family-support-program>

Offers a free program in Massachusetts to help you care for a member of your family. Find your regional agency and ask to speak to a Caregiver Specialist. Massachusetts Family Caregiver Support Program is free.

Mental Health America of Hawaii

<https://mentalhealthhawaii.org/>

Promotes mental wellness through education, advocacy, and service and strives to reduce the stigma of mental illness and improve the overall care, treatment and empowerment of Hawaii's children, adults, elders or their family members with mental illnesses.

Mental Health Association of Oklahoma

<https://mhaok.org/>

Dedicated to promoting mental health, preventing mental disorders and achieving victory over mental illness through advocacy, education, research, service and housing.

Mental Health Association of Rhode Island (MHA RI)

<https://mhari.org/>

Provides public education, information and referrals to support groups, rehabilitation services, socialization and housing services to assist Rhode Island individuals with mental illness. Mental Health Association of Rhode Island (MHARI) makes sure those dealing with mental health issues are treated with dignity and respect.

Mercy Medical Angels

<https://www.mercymedical.org/>

Offers free medical transportation services on the ground and in the air to ensure that no one in need is denied medical care. Helping Veterans and their families, Mercy Medical Angels provides travel to clinical care, service dog acquisition, healing retreats and PTS and TBI treatments.

Military Health System

<https://www.health.mil/>

Provides health care, medical education, public health, private sector partnerships, and cutting edge medical research and development. The Military Health System (MHS) is a federated system of uniformed, civilian and contract personnel and additional civilian partners at all levels of the DoD and beyond.

Minnesota Board on Aging - Family Caregivers

<https://mn.gov/board-on-aging/connect-to-services/family-caregiving/>

Provides guidance, support and resources for Minnesota caregivers of the elderly. Minnesota family caregivers are fortunate that different types of support are available at little or no cost, services are available in person or online.

Minnesota Department of Human Services

<https://mn.gov/dhs/>

Offers health care coverage for low-income Minnesotans, economic assistance for struggling families, food support, child protection and child welfare services, services for people with mental illness, chemical dependency, or physical or developmental disabilities, and more. The Minnesota Department of Human Services provides essential services to Minnesota's most vulnerable residents.

Mission Adult Care Services

<https://missionhealth.org/services-treatments/adult-care/>

Provides information on the Mission Center Adult Day Service in Midland, Texas, that provides quality health care and activity programs for elderly adults and disabled individuals in a safe, enriching environment that offers caregiver respite and family support.

Mississippi Department of Human Services (MDHS) - Family Caregiver Support Program

<http://www.mdhs.ms.gov/adults-seniors/services-for-seniors/family-caregiver-support-program/>

Offers information to families and caregivers in the State of Mississippi including where to turn for support and assistance as well as services for caregivers. Mississippi Department of Human Services (MDHS) - Family Caregiver Support Program works in partnership with the 10 Area Agencies on Aging and local community service providers to provide basic need services to families.

Missouri Department of Health & Senior Services

<https://health.mo.gov/>

Offers senior and disability services for residents of Missouri, including caregiver support, help for independent living, and advocacy for elderly people who are too frail to speak up for themselves.

Mountain Valley Hospice & Palliative Care

<https://www.mtnvalleyhospice.org/we-honor-veterans>

Provides hospice care to terminally ill persons, and inpatient and outpatient palliative medical care for people with a serious or advanced illness. Mountain Valley Hospice participates in the We Honor Veterans program, understanding the unique challenges that veterans and their families may face at the end of life.

National Adult Day Services Association

<https://www.nadsa.org/>

Provides Adult Day Services professionals with a host of services and support. The National Adult Day Services Association is a professional membership association for adult day center providers, associations of providers, corporations, educators, students, retired workers and others interested in working to build better lives for adults in adult day programs.

National Alliance For Caregiving

<https://www.caregiving.org/>

Provides information and resources to help caregivers maintain the well-being of those in their care. The National Alliance for Caregiving (NAC) conducts research, does policy analysis, develops national best-practice programs, and helps increase public awareness of family caregiving issues.

National Alliance on Mental Illness - Alaska

<https://www.namialaska.org/>

Provides advocacy, education, support and public awareness so that all Alaska individuals and their families affected by mental illness can build and live better lives.

National Alliance on Mental Illness - Rhode Island

<https://namirhodeisland.org/>

Provides support to people in Rhode Island with mental illness and their family members and friends, educates professionals and the public about mental illness and advocates for improved services for all people with mental illness.

National Alliance on Mental Illness - South Carolina

<https://namisc.org/>

<https://mn.gov/dhs/>

Offers health care coverage for low-income Minnesotans, economic assistance for struggling families, food support, child protection and child welfare services, services for people with mental illness, chemical dependency, or physical or developmental disabilities, and more. The Minnesota Department of Human Services provides essential services to Minnesota's most vulnerable residents.

Operation Homefront

<https://www.operationhomefront.org/>

Assists military families during difficult financial times by providing food assistance, auto and home repair, vision care, travel and transportation, moving assistance, essential home items, and rent-free transitional housing for wounded veterans and their families. Operation Homefront awards mortgage-free homes and hosts a gala each year to recognize extraordinary military kids.

Oregon Department of Human Services - Caregiver Support

<https://www.oregon.gov/DHS/SENIORS-DISABILITIES/Pages/Caregiving.aspx>

Offers information to families and caregivers in the State of Oregon including where to turn for support and assistance as well as services for caregivers.

Salt Lake County Aging & Adult Services - Utah

<http://www.slco.org/aging-adult-services/>

Offers activities, health care assistance, caregiver support and advocacy information to older adults living near Salt Lake City, Utah.

Semper Fi Fund

<https://thefund.org/>

Provides immediate financial assistance and lifetime support to combat wounded, critically ill, and catastrophically injured members of all branches of the U.S. Armed Forces and their families. The Marine Semper Fi Fund make sure that service members have the resources they need during their recovery and throughout transition back to their communities.

Sesame Street for Military Families

<https://sesamestreetformilitaryfamilies.org/>

Offers support and education to help military kids. The Sesame Street for Military Families initiative includes bilingual videos, storybooks, and activities, television specials, and more.

Share The Caregiving (STC)

<https://sharethecare.org/>

Improves the quality of life and reduce stress, depression, isolation and economic hardship of caregivers by providing information and support throughout their caregiving journey. Share The Caregiving (STCG) also referred to as Share The Care, focuses on educating caregivers, patients and their concerned friends, neighbors, co-workers and acquaintances about the profound personal benefits to everyone involved through sharing the care.

Spouse Buzz

<https://www.military.com/spousebuzz>

Offers military spouse and family news and expert analysis on topics such as military benefits to lifestyle. Military.com's SpouseBuzz is a blog of many voices telling the military spouse and family story on what it's really like to be a spouse or family member in today's military world.

The Yellow Ribbon Fund

<https://yellowribbonfund.org/>

Provides housing, transportation, and caregiver and family support to severely wounded, ill and injured post-9/11 Service Members from every branch of the United States military following unexpected medical crises. Yellow Ribbon Fund's programs provide veterans and their families with practical support and offer recreational and respite events to caregivers.

United Service Organizations (USO)

<http://www.uso.org>

Provides live entertainment, social facilities, and other programs to service members, veterans and their families. United Service Organizations (USO) are located in airports throughout the county offering 24 hour hospitality services to traveling military members.

U.S. Special Operations Command (USSOCOM) - Warrior Care Program

<https://www.socom.mil/care-coalition>

Supports the rehabilitation and reintegration of Special Operations Command wounded warriors.

VA Caregiver Support Program

<https://www.caregiver.va.gov/>

Offers caregiver resources and caregiver support programs to include peer support mentoring, tips and tools, self-care activities, and more. Caregiver Support Coordinators are available at each VA Medical Center to help caregivers find the right support to meet their needs and to enroll in caregiver programs and services.

Veterans Families United Foundation

<http://www.veteransfamiliesunited.org/>

Offers educational tools and resources, support, peer support and information for Oklahoma veterans and their families dealing with war-related illness and trauma. Veterans Families United Foundation connect veterans and their families to resources and services to meet their needs.

Vets4Warriors

<https://www.vets4warriors.com/>

Provides 24/7 access to a peer who understands the military community and the challenges they face and offers support whenever they confront an issue wherever they are in the world. Vets4Warriors, housed at the Rutgers University Behavioral Health Care national call center in New Jersey, is a peer support network, complementing the government resources available to service members and veterans.

Wounded Warrior Project

<https://www.woundedwarriorproject.org/>

Provides numerous services to wounded military veterans and their family members. The Wounded Warrior Project helps veterans and service members who incurred a physical or mental injury, illness, or wound while serving in the military on or after September 11, 2001.

Peer Support & Mentoring

Alaska Division of Senior & Disabilities Services

<http://dhss.alaska.gov/dsds/Pages/default.aspx>

Offers information to families and caregivers in the State of Alaska including where to turn for support and assistance as well as services for caregivers.

American Red Cross

<https://www.redcross.org/>

Provides disaster relief and support to those in crisis, blood donation centers, health and safety training to prepare for and respond in emergencies, and 24/7 global emergency communication services and other support in military and veteran health care facilities across the country. The Red Cross is a humanitarian organization that provides emergency assistance, disaster relief, and disaster preparedness education in the United States.

American Red Cross Military & Veteran Caregiver Network

<https://www.redcross.org/get-help/military-families/services-for-veterans/military-veteran-caregiver-network.html>

Offers peer-based support and services to connect those providing care to service members and veterans living with wounds, illnesses, injuries, or aging. The Military and Veteran Caregiver Network (MVCN) provides military and veteran caregivers of all eras with peer support to reduce isolation and increase connection, engagement, knowledge, skills and hope.

Brain Injury Network

<http://www.braininjurynetwork.org/>

Provides advocacy, peer support, and resources for survivors of acquired brain injury (ABI), which includes traumatic brain injury (TBI), stroke, brain illness and brain tumors. The Brain Injury Network (BIN) is a nonprofit organization for and by the brain injury survivor community.

California Department of Aging (CDA)

<https://www.aging.ca.gov/>

Provides programs that serve older adults, adults with disabilities, family caregivers, and residents in long-term care facilities throughout California State. The California Department of Aging (CDA) goal is to make sure older adults have the opportunity to enjoy wellness, longevity and quality of life in strong healthy communities.

Caregiver Action Network

<http://caregiveraction.org/>

Caregiver Action Network is the nation's leading family caregiver organization offering peer support and other resources, free of charge, for family caregivers who care for loved ones with chronic conditions, disabilities, disease, or the frailties of old age. Also provides information to navigate complex caregiving challenges for family caregivers ranging from the parents of children with special needs to the families and friends of wounded soldiers.

Caregiverlist

<https://www.caregiverlist.com/>

Offers information for caregivers about employment opportunities and certification training, and tools for seniors and families to understand care options and costs including Medicare, Medicaid and veteran's care. Caregiverlist also offers state-specific training courses and certification for caregivers.

Christopher & Dana Reeve Foundation

<https://www.christopherreeve.org/todays-care/get-support/military-veterans-program-mvp/>

Assists service members and veterans living with spinal cord injury and paralysis to help connect them with military services, programs, and benefits. The Christopher and Dana Reeve Foundation is dedicated to curing spinal cord injury by advancing innovative research and improving quality of life for individuals and families impacted by paralysis.

Delaware - Division of Services for Aging & Adults with Physical Disabilities

<https://www.dhss.delaware.gov/dsaapd/>

Helps older residents of Delaware to be as independent for as long as possible through advocacy, development and delivery of policies, programs and services. The Department of Health and Human Services of Delaware runs programs for substance abuse, peer recovery, and mental health clinics in addition services for aging in place, physical therapy, & community activities.

DoD Caregiver Resource Directory

<http://warriorcare.dodlive.mil/caregiver-resources/>

Provides information about national and local resources and programs specifically designed to help empower military caregivers. Topics in the Caregiver Resource Directory include helplines, advocacy and benefit information, career transitions and employment, military caregiver support, children's needs, education and training, financial support, rest and relaxation, and others.

DoD Recovery Coordination Program

<https://warriorcare.dodlive.mil/Care-Coordination/Recovery-Coordination/>

Provides support to wounded, ill, and injured service members through Recovery Care Coordinators (RCCs) in the DoD Recovery Coordination Program that are available at military treatment facilities and installations across the country. RCCs develop a comprehensive recovery plan identifying goals and resources, such as assistive technology, education, employment, or housing, needed to achieve rehabilitation and return service members to duty or reintegration into the civilian community.

Family Caregiver Alliance

<https://www.caregiver.org/>

Provides a comprehensive, online guide, the Family Care Navigator, to help families locate caregiver support programs and services in all 50 states. Service staff also talk to family caregivers from across the country on the Family Caregiver Alliance 800 number to quickly assess needs and tailor the right information and service referral that meets their need.

Franklin County Pennsylvania - Area Agency on Aging

https://franklincountypa.gov/index.php?section=human-services_aging

Provides a planned program of supported services to those 60 years of age and older, intended to optimize independence, promote consumer choice and enhance quality of life. Franklin County Pennsylvania, Area Agency on Aging services include personal care services, medication management, adult day care, caregiver support, and other social services.

Green Beret Foundation

<http://www.greenberetfoundation.org/>

Provides valuable case by case assistance to Green Beret families including help with transitioning to life after service, in whatever ways are needed. The Green Beret Foundation provides direct and continuous support to the Green Beret community by connecting them with the right resources to prosper and thrive during and after military service.

Healing Household 6

<https://healinghousehold6.org/>

Provides peer support networks connecting caregivers with resources to assist them with medical evaluation boards, VA claims, transition, public assistance, nonprofit assistance, domestic violence, and caring for veterans. Healing Household 6 (HH6) offers caregivers of combat injured veterans tools to strengthen and improve family relationships.

Hope For The Day - Project R.E.D. Team

<https://www.hftd.org/ourwork>

Offers a peer-led proactive mental health education and suicide prevention outreach platform. Our one-hour clinically backed education presentation was designed for members of the military, veterans, first responders, and their families by members within the community who understand the unique mental health challenges that come with committing yourself to the safety and protection of others.

Hospice & Community Care

<https://www.hospiceandcommunitycare.org/hospice-care/care-for-veterans/>

Provides compassionate physical, emotional, and spiritual support at end of life. It is common for veterans at this stage to face unique issues related to their military experiences that possibly have never been addressed with their families, so the staff at Hospice and Community Care are specially trained to care for veteran patients offering a Veteran-to-Veteran program where they pair volunteers who are veterans with veteran hospice patients.

Institute on Aging

<https://www.ioaging.org/>

Offers services that help aging adults and people with disabilities in the San Francisco Bay Area maintain their health, well-being, and independence. Institute on Aging provides personalized home care and support services to include companionship, hourly or 24/7 live-in care and overnight assistance, Dementia and Alzheimer's care, home safety evaluations, meal planning and preparation, escorted transportation, errands, and light housekeeping.

Iraq & Afghanistan Veterans of America

<https://iava.org/>

Provides personalized support and growth opportunity for Iraq and Afghanistan Veterans. Membership in Iraq and Afghanistan Veterans of America (IAVA) is free and helps to connect Veterans with national leaders, industry experts, and peer mentors.

Lutheran Social Service of Minnesota

<https://www.lssmn.org/services/military-and-veterans>

Offers caregiver coaching and counseling, caregiver classes and workshops, and caregiver support groups, in addition to respite services, both in-home and in a group setting. Lutheran Social Service of Minnesota has undergone PsychArmor training to better serve veterans.

Make the Connection

<http://maketheconnection.net/>

Provides an online resource to connect veterans, their family members, friends, and other supporters with information, resources, and solutions to issues affecting their lives. Make the Connection is a campaign launched by the VA to help the military community confront the challenges of transitioning from service, face health issues, and navigate the complexities of daily life as a civilian.

Marine Parents

<https://www.marineparents.com/>

Provides support, information, and services to Marines and their family members, and create opportunities for the public to support our troops through the organization's outreach programs.

Minnesota Department of Human Services

<https://mn.gov/dhs/>

Offers health care coverage for low-income Minnesotans, economic assistance for struggling families, food support, child protection and child welfare services, services for people with mental illness, chemical dependency, or physical or developmental disabilities, and more. The Minnesota Department of Human Services provides essential services to Minnesota's most vulnerable residents.

Narcotics Anonymous

<https://www.na.org/meetingsearch/>

Offers a 12-step program and meetings for people who are addicted to non-prescribed narcotics. Narcotics Anonymous (NA) programs are available in major cities throughout the United States.

Next Step in Care - Family Caregivers

https://www.nextstepincare.org/Caregiver_Home

Offers nine practical first steps new caregivers should take and advice for pacing oneself for the long term; intended for both new and experienced caregivers. Next Step in Care Family Caregivers covers topics such as hospital stays, rehabilitation and home care.

Operation Homefront

<https://www.operationhomefront.org/>

Assists military families during difficult financial times by providing food assistance, auto and home repair, vision care, travel and transportation, moving assistance, essential home items, and rent-free transitional housing for wounded veterans and their families. Operation Homefront awards mortgage-free homes and hosts a gala each year to recognize extraordinary military kids.

Oregon Department of Human Services - Caregiver Support

<https://www.oregon.gov/DHS/SENIORS-DISABILITIES/Pages/Caregiving.aspx>

Offers information to families and caregivers in the State of Oregon including where to turn for support and assistance as well as services for caregivers.

Paralyzed Veterans of America - Central Florida Chapter

<https://pvacf.org/>

Provides a variety of services for Florida veterans, including help with filing VA claims for disability compensation.

Paralyzed Veterans of America (PVA)

<https://www.pva.org/>

Provides resources and professional services to catastrophically disabled veterans, their caregivers, and their families. Paralyzed Veterans of America (PVA) advocates for quality health care, spinal cord research, VA benefits and civil rights for veterans and all people with disabilities.

Paralyzed Veterans of America - West Virginia Chapter

<http://www.wvpva.org/>

Works to maximize the quality of life and advocate for people with spinal cord injury and disease in West Virginia.

Powerful Tools For Caregivers

<https://www.powerfultoolsforcaregivers.org/>

Offers classes that help caregivers take better care of themselves while caring for a friend or relative. Powerful Tools for Caregivers helps caregivers identify and manage the physical, emotional and financial challenges of family caregiving.

Salt Lake County Aging & Adult Services - Utah

<http://www.slco.org/aging-adult-services/>

Offers activities, helath care assistance, caregiver support and advocacy information to older adults living near Salt Lake City, Utah.

Share The Caregiving (STC)

<https://sharethecare.org/>

Improves the quality of life and reduce stress, depression, isolation and economic hardship of caregivers by providing information and support throughout their caregiving journey. Share The Caregiving (STCG) also referred to as Share The Care, focuses on educating caregivers, patients and their concerned friends, neighbors, co-workers and acquaintances about the profound personal benefits to everyone involved through sharing the care.

Stand Beside Them

<https://www.standbesidethem.org/>

Offers free coaching for veterans, their family members and caregivers to achieve success at home, at work, and in the New York community. Coaching specialties at Stand Beside Them include career development, executive leadership, life and relationships, health and wellness, and small business development.

<https://www.aging.ca.gov/>

Provides programs that serve older adults, adults with disabilities, family caregivers, and residents in long-term care facilities throughout California State. The California Department of Aging (CDA) goal is to make sure older adults have the opportunity to enjoy wellness, longevity and quality of life in strong healthy communities.

Caregiverlist

<https://www.caregiverlist.com/>

Offers information for caregivers about employment opportunities and certification training, and tools for seniors and families to understand care options and costs including Medicare, Medicaid and veteran's care. Caregiverlist also offers state-specific training courses and certification for caregivers.

Delaware - Division of Services for Aging & Adults with Physical Disabilities

<https://www.dhss.delaware.gov/dsaapd/>

Helps older residents of Delaware to be as independent for as long as possible through advocacy, development and delivery of policies, programs and services. The Department of Health and Human Services of Delaware runs programs for substance abuse, peer recovery, and mental health clinics in addition services for aging in place, physical therapy, & community activities.

DoD Caregiver Resource Directory

<http://warriorcare.dodlive.mil/caregiver-resources/>

Provides information about national and local resources and programs specifically designed to help empower military caregivers. Topics in the Caregiver Resource Directory include helplines, advocacy and benefit information, career transitions and employment, military caregiver support, children's needs, education and training, financial support, rest and relaxation, and others.

Family Caregiver Alliance

<https://www.caregiver.org/>

Provides a comprehensive, online guide, the Family Care Navigator, to help families locate caregiver support programs and services in all 50 states. Service staff also talk to family caregivers from across the country on the Family Caregiver Alliance 800 number to quickly assess needs and tailor the right information and service referral that meets their need.

Healing Household 6

<https://healinghousehold6.org/>

Provides peer support networks connecting caregivers with resources to assist them with medical evaluation boards, VA claims, transition, public assistance, nonprofit assistance, domestic violence, and caring for veterans. Healing Household 6 (HH6) offers caregivers of combat injured veterans tools to strengthen and improve family relationships.

Institute on Aging

<https://www.ioaging.org/>

Offers services that help aging adults and people with disabilities in the San Francisco Bay Area maintain their health, well-being, and independence. Institute on Aging provides personalized home care and support services to include companionship, hourly or 24/7 live-in care and overnight assistance, Dementia and Alzheimer's care, home safety evaluations, meal planning and preparation, escorted transportation, errands, and light housekeeping.

Lutheran Social Service of Minnesota

<https://www.lssmn.org/services/military-and-veterans>

Offers caregiver coaching and counseling, caregiver classes and workshops, and caregiver support groups, in addition to respite services, both in-home and in a group setting. Lutheran Social Service of Minnesota has undergone PsychArmor training to better serve veterans.

Minnesota Department of Human Services

<https://mn.gov/dhs/>

Offers health care coverage for low-income Minnesotans, economic assistance for struggling families, food support, child protection and child welfare services, services for people with mental illness, chemical dependency, or physical or developmental disabilities, and more. The Minnesota Department of Human Services provides essential services to Minnesota's most vulnerable residents.

Operation Freedom Paws

<https://operationfreedompaws.org/>

Matches dogs with individuals who have Post Traumatic Stress (PTS), Complex-Post Traumatic Stress (CPTS) and/or Traumatic Brain Injury (TBI) symptoms, or other physical, neurological, psychological or mobility needs. Operation Freedom Paws helps those living with disabilities become independent.

Oregon Department of Human Services - Caregiver Support

<https://www.oregon.gov/DHS/SENIORS-DISABILITIES/Pages/Caregiving.aspx>

Offers information to families and caregivers in the State of Oregon including where to turn for support and assistance as well as services for caregivers.

Puppies Behind Bars

<https://www.puppiesbehindbars.com/service-dogs-for-veterans/>

Raises puppies by prison inmates to learn the eighty-five commands that are standard in the industry (retrieving objects, turning on and off lights, opening doors so a wheelchair can pass through, etc.), as well as five specific commands of service dogs to assist wounded warriors with PTSD and TBI. Puppies Behind Bars is a rigorous program that produces well-loved and well-behaved dogs, to ensure the best possible dog-veteran matches.

Salt Lake County Aging & Adult Services - Utah

<http://www.slco.org/aging-adult-services/>

Offers activities, health care assistance, caregiver support and advocacy information to older adults living near Salt Lake City, Utah.

Semper Fi Fund

<https://thefund.org/>

Provides immediate financial assistance and lifetime support to combat wounded, critically ill, and catastrophically injured members of all branches of the U.S. Armed Forces and their families. The Marine Semper Fi Fund make sure that service members have the resources they need during their recovery and throughout transition back to their communities.

Southeastern Guide Dogs

<https://www.guidedogs.org/>

Provides service dogs and a lifetime of follow-up at no cost to veterans living with post-traumatic stress disorder (PTSD) or other disabilities. Southeastern Guide Dogs, a nonprofit with a national reach, creates elite working dogs and offers life-changing services for people with vision loss, veterans with disabilities, and children with significant challenges such as vision loss or the loss of a parent in the military.

VA Rehabilitation & Prosthetic Services

<https://www.prosthetics.va.gov/>

Offers VA programs for rehabilitation and prosthetic services supporting Veterans with disabilities. VA's Rehabilitation and Prosthetic Services is responsible for chiropractic, blind, polytrauma/TBI programs, medical rehabilitation, prosthetic and sensory aids services, the amputation system of care, and more.

Warrior Canine Connection

<https://warriorcanineconnection.org/>

Utilizes service members and veterans with combat stress in the critical mission of training service dogs for fellow wounded warriors.

Respite Care

Aging Commission of the Mid-South (ACMS)

<https://shelbycountyttn.gov/3433/Aging-Commission-of-the-Mid-South>

Provides funding to a variety of community programs that support healthy aging. The Aging Commission of the Mid-South (ACMS) is the designated Area Agency on Aging and Disability (AAAD) for Fayette, Lauderdale, Shelby, and Tipton Counties in West Tennessee.

Alabama Cares - Support for Family Caregivers

<https://alabamaageline.gov/alabama-cares/>

Provides information on the Alabama program that allows families to keep their loved ones at home for as long as possible, thereby preventing premature nursing home placement.

Alabama Lifespan Respite Resource Network

<https://alabamarespite.org/>

Offers respite services for caregivers in Alabama. The Alabama Lifespan Respite Resource Network helps increase access to and availability of respite resources for all caregivers in Alabama.

Alaska Division of Senior & Disabilities Services

<http://dhss.alaska.gov/dsds/Pages/default.aspx>

Offers information to families and caregivers in the State of Alaska including where to turn for support and assistance as well as services for caregivers.

American Association of Retired Persons

<https://www.aarp.org/>

Offers discounted membership for service members, veterans and their spouses who are 50+ years of age. The American Association of Retired Persons (AARP) is a nonprofit, nonpartisan organization that empowers retired people to choose how they live as they age.

ARCH National Respite Network & Resource Center

<https://archrespite.org/>

Provides information and resources to find respite in your community. The ARCH National Respite Network includes the National Respite Locator, a service to help caregivers and professionals locate respite services in their community, the National Respite Coalition, a service that advocates for preserving and promoting respite in policy and programs at the national, state, and local levels, and the Lifespan Respite Technical Assistance Center which is funded by the Administration for Community Living in the US Department of Health and Human Services.

Arizona Caregiver Coalition

<https://azcaregiver.org/>

Provides support and advocacy for family caregivers in Arizona. The Arizona Caregiver Coalition was developed through the Governor's Advisory Council on Aging and serves a mandated role as part of the Arizona Lifespan Respite Program.

Believe In Tomorrow Children's Foundation

<https://believeintomorrow.org/>

Provides hospital and respite housing services to critically ill children and their families. Believe In Tomorrow has two respite properties that are dedicated specifically to military families, with one in Ocean City, MD, and the other in Pinnacle Falls, just outside of Asheville, NC.

Cabarrus County Veterans Services

<https://cabarruscounty.us/departments/veterans-services>

Assists veterans with navigating VA programs and benefits such as compensation, pension, appeals, healthcare, survivor benefits, education options, home loan guaranty, employment, transportation, adult and aging services, and senior resources. The Cabarrus County Veterans Services office provides professional and timely assistance to veterans and their family members, free of charge.

California Department of Aging (CDA)

<https://www.aging.ca.gov/>

Provides programs that serve older adults, adults with disabilities, family caregivers, and residents in long-term care facilities throughout California State. The California Department of Aging (CDA) goal is to make sure older adults have the opportunity to enjoy wellness, longevity and quality of life in strong healthy communities.

Cape Fear Council of Governments - Senior Resources

<https://capefearcog.org/area-agency-on-aging/resource-guide-for-senior-services/>

Offers information to senior services in the State of North Carolina including where to turn for support and assistance as well as services for caregivers. Cape Fear Council of Governments shares resources servicing Brunswick, Columbus, New Hanover and Pender Counties.

Caregiver Action Network

<http://caregiveraction.org/>

Caregiver Action Network is the nation's leading family caregiver organization offering peer support and other resources, free of charge, for family caregivers who care for loved ones with chronic conditions, disabilities, disease, or the frailties of old age. Also provides information to navigate complex caregiving challenges for family caregivers ranging from the parents of children with special needs to the families and friends of wounded soldiers.

Caregiverlist

<https://www.caregiverlist.com/>

Offers information for caregivers about employment opportunities and certification training, and tools for seniors and families to understand care options and costs including Medicare, Medicaid and veteran's care. Caregiverlist also offers state-specific training courses and certification for caregivers.

Centennial Adultcare Center

<http://centennialadultcare.com/>

Offers a full range of adult day care and in-home services to individuals in the greater Nashville area with a wide variety of physical disabilities and/or cognitive impairments, including advanced Alzheimers and other dementias. Centennial Adultcare Center is designed to fill the gap between living alone at home, or with a caregiver, and full-time institutionalization in a costly nursing facility.

Connecticut - National Family Caregiver Support Program

<https://portal.ct.gov/AgingandDisability/Content-Pages/Programs/National-Family-Caregiver-Support-Program>

Offers information to families and caregivers in the state of Connecticut on where to go for support and assistance.

Crotched Mountain Community Care

<https://cmf.org/cmcc/>

Provides case management services to clients throughout all of New Hampshire. Crotched Mountain Community Care Program offers an alternative to nursing home placement by connecting family members with community supports.

DayBreak Adult Care Centers - Family Caregiver Support

<https://www.daybreakac.org/services-4>

Helps families taking care of senior adults with disabilities live comfortably at home by providing health services and therapeutic activities.

Delaware - Division of Services for Aging & Adults with Physical Disabilities

<https://www.dhss.delaware.gov/dsaapd/>

Helps older residents of Delaware to be as independent for as long as possible through advocacy, development and delivery of policies, programs and services. The Department of Health and Human Services of Delaware runs programs for substance abuse, peer recovery, and mental health clinics in addition services for aging in place, physical therapy, & community activities.

Developmental Disabilities Institute

<https://www.ddiny.org/>

Provides educational, residential, habilitative, vocational, transportation, and service coordination support to individuals with developmental disabilities on Long Island. With sites across Suffolk and Nassau Counties, Developmental Disabilities Institute helps children and adults with autism and other developmental disabilities experience personal growth and fulfillment.

DoD Caregiver Resource Directory

<http://warriorcare.dodlive.mil/caregiver-resources/>

Provides information about national and local resources and programs specifically designed to help empower military caregivers. Topics in the Caregiver Resource Directory include helplines, advocacy and benefit information, career transitions and employment, military caregiver support, children's needs, education and training, financial support, rest and relaxation, and others.

Easterseals - Military & Veterans Services

<https://www.easterseals.com/programs-and-services/military-veterans/>

Provides resources and support for veterans and military families through 69 local affiliates in communities nationwide.
